Week 5

15 May 2020

PRINCIPAL'S POST

We are very excited to welcome everyone back to school this Monday.

The last eight weeks have had challenges for us all, however I would like to sincerely **Thank You** all for the support you

have given to your children, teachers and the school during **Home Learning**.

Yesterday you received an email with an infographic which clearly describes what school will look like in the coming weeks. Our intention is to keep things as normal as possible, focus on student wellbeing and to re-establish classroom routines.

We have had to put new protocols in regarding "contact tracing" and this will impact on pick up and drop offs and parents who need to come to school during the day. It is very important you read this document as all your questions will be answered. Click [here](#) for the document.

We ask you to be patient as these new systems are new for everyone and there may be some trial and error as we adjust and they may require change.

All loan devices need to be returned to school on Monday 18 May

Please ensure that:

- The device is returned in the box you were given
- The box is named with the child's first name, last name and room number.
- The device and charger are in the box.

Devices will be collected from the classroom

Thank you so much to all the students who shared their pictures from The Very Cranky Bear, they were all amazing!

EZLUNCHES

Ezlunch orders will resume from next week 18 May via Kindo.

You can order (or cancel) any time before 9am on the day or schedule in advance. Lunch will be delivered to the school in time for lunch.

ezlunch orders are made online through your myKindo account. One account for the whole family!

Go to www.mykindo.co.nz to start ordering!

Need help? Visit support.mykindo.co.nz or telephone 0800 EZLUNCH (0800 395 8624) weekdays 8am-4pm.

COVID CHECK-IN DOCUMENT

School Apps have created a COVID-19 Check in Module that you are able to access from Sunday. If you need to enter the school grounds to take your child to the classroom, you can use this to show the staff on the gate that you have signed in.

Available from SUNDAY only – we will send more instructions on Sunday.

UNIFORM

The Uniform Shop is open by appointment only while we operate under Level 2. If you place a uniform order on Kindo this will be sent to your child's classroom.

Please remember from 2021, children's shoes are to be black and during Level 2 we are enforcing ALL SHOES ON policy.

KELLY CLUB

The Kelly Club team are excited to be starting back with you all on Monday 18 May.

During the break, we have been working hard to ensure our programme is as interactive and enjoyable as ever, while embracing the necessary new procedures.

Further information will be sent out to our database by the end of this week including running the morning sessions from the PAC room.

We look forward to seeing you all soon. If you have any questions, please contact Caroline Sanches on 021 980 050.

ASTHMA INHALERS

If we hold an Asthma inhaler in the school office for your child, this is a reminder to please bring a new inhaler to us for the coming winter season. We will be following up with those that have expired in the coming weeks.

LUCKY BOOK CLUB

Lucky Book Club orders have arrived and will be distributed early next week.

FULL LUNCHBOXES

Please ensure your child comes to school with plenty of food to eat in their lunchboxes.

As the temperature drops our little people are inclined to eat more and they suddenly will not have access to your fridge.

DRINKING FOUNTAINS CLOSED

A reminder that under Level 2, all of our water drinking fountains remain closed.

Please ensure your child brings plenty to drink.

TEAM TALK – Whakatōtanga

The Whakatōtanga Team have really enjoyed the challenge of providing tasks for Home Learning and navigating through this strange new world.

We have been so impressed with all the amazing work that has been submitted and all the wonderful support Whānau have given! Ka mau te wehi!

R2

Lego Challenge: Build your favourite fruit or vegetable

Kagan first made an origami carrot and coloured it. Then, he used Lego blocks to build a carrot that looks like his origami carrot.

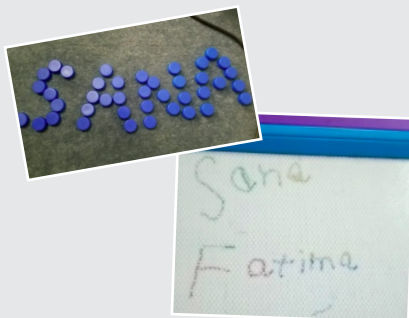

R3

Create a caterpillar in any way you want to, using any materials you have at home

Veronica followed the instructions on the video link and created a long, wiggly caterpillar by carefully folding, cutting and pasting using paper.

R6

Sana used different mediums/ equipment to write her name

R7

Room 7 learners used various materials to build arrays! A majority challenged themselves by using their knowledge of addition to understand multiplication. Ka mau te pai, Ruma 7 whanau!

R8 Create an ant using materials from home.

Room 8 read the story of the Ant and the Grasshopper. The challenge then was to create an ant using materials from home.

The ant had to have six jointed legs, three parts to its body and two antennae.

Karson (top) and Talulah did a great job very creatively.

R9 Soar – design a flying machine

Design your own flying machine. Use your best oral language skills to explain how your design would work and what it would be made out of. Let your imagination run wild!

Adam was feeling especially ingenious and turned his design into an actual machine using the resources he had at home!

R10 Make a puppet and use your voice

Room 10 learners created puppets and some put on shows with their whanau.

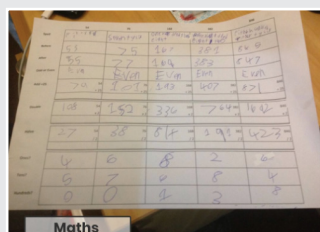

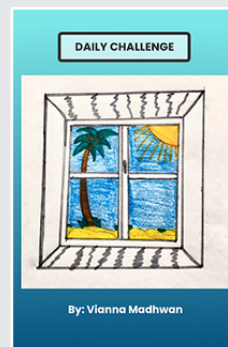

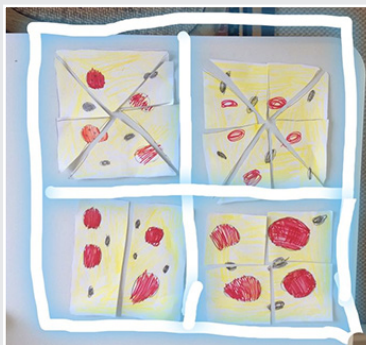

Here is Matija with Mum, Blair with her creation, and Tamsyn and sister Sophie with their puppet show.

R11

Room 11 learners have been extraordinarily busy working at home in their bubbles! They have drawn on their creative abilities. We are singers, dancers, artists and yoga practitioners! We have been resourceful at using things found at home to help our learning. Like all of the Tupuranga learners we are readers, writers and mathematicians!

R12

Home Learning in Room 12 has been fantastic. The students have posted photos and videos. There has been creative and imaginative thinking in all the presentations. Some students have worked on the tasks by themselves and this shows independent skills. Some students have worked with their whanau and had lots of fun filming a range of activities.

R13

Room 13 learners have embraced at home learning and have shown their thinking in so many creative ways. Building, dancing, bird watching, cooking, mindfulness and yoga are only a few of the ways that they have been able to explore learning outside of the classroom.

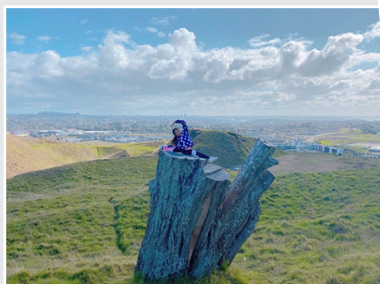

R14

Room 14 learners have shown their creativity throughout their Home Learning. From creating different work spaces to work in to using nature to create a beautiful piece of artwork. The students have also kept active by dancing, practising yoga and working through fitness routines.

R15

Room 15 learners talents extend outside of the classroom. Maungarei is translated as the "watchful mountain" and now has a new flexible addition to oversee our beautiful community of Mount Wellington in the form of Esther Park.

TEAM TALK – Puāwaitanga

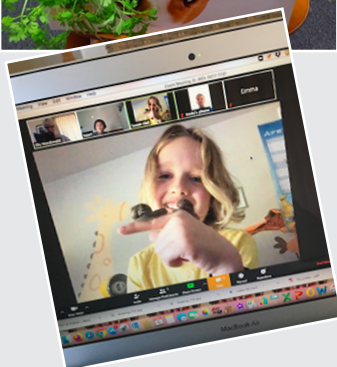

Our Puāwaitanga students have been fantastic 'Friends, Learners and Guardians' throughout their Home Learning. We are so very proud of you all. Here is a sample of their learning.

R16

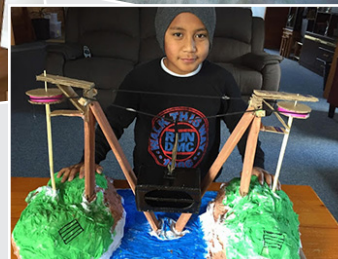

Dioramas and a class Zoom meeting with pet snails

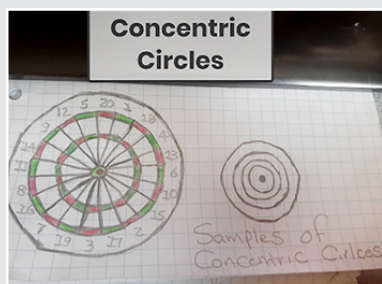

R17

Lego colossal art and Inquiry projects

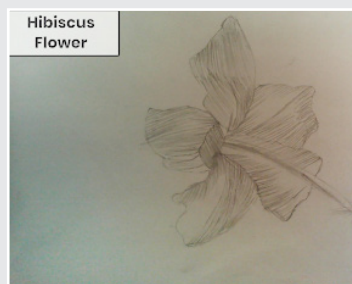

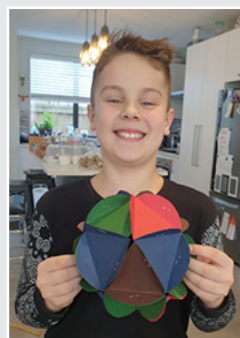

R18

Concentric circles

Making an Icosahedron

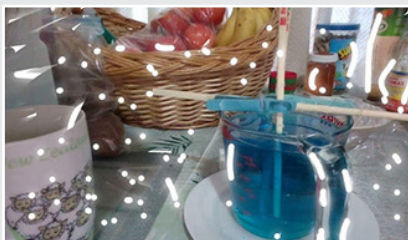

Drawing a flower

R19

Science and art!

A zentangle

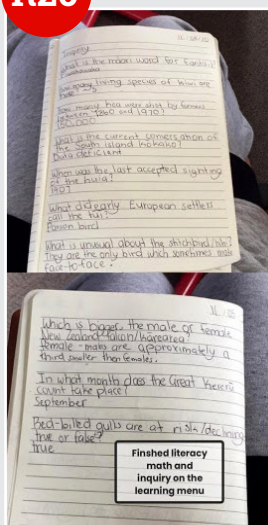

A sugar crystal

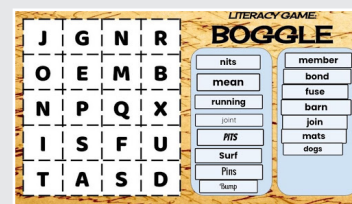

An underwater scene

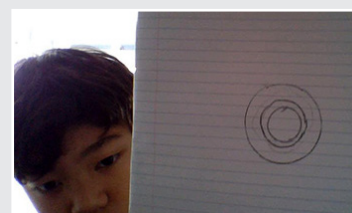

R20

Literacy, Math and Inquiry response

Boggle word game challenge

Concentric circles
