

PRINCIPAL'S POST

We are almost at the end of Term 2 and what a 12 weeks it has been. During this time we have transitioned through 4 alert levels and had a dramatic shift from sticking to our bubbles and now being fully back at school. As I reflect on this 12 weeks this change has been incredible for what our school community has been through. The resilience and flexibility

that everyone has shown through has been amazing.

Home Learning Survey – Whanau Voice

Thank you to all the parents who took the time to contribute to our Home Learning Survey. The feedback was very positive regarding the learning that was delivered by classroom teachers during Lockdown. This feedback is very valuable and we will be using this as we adapt our school curriculum in the coming months.

Staffing News

Next term we welcome Melissa Ezekiel to our teaching team. Melissa will be teaching in Room 4 and opening our latest New Entrant class.

School Uniform – The Warehouse

From Term 3 our school uniform will no longer be sold through the school office. All uniform can be purchased at The Warehouse Sylvia Park or online through The Warehouse. This will become available during the second week of the school holidays.

Staying away when sick

It has been great to see families following advice and keeping children home if they are sick. There are occasions when a child becomes sick during the day and we have been sending children home in these instances. We are continuing to be vigilant and cautious with this. Thank you for your support with this and please continue to keep your child home if they are unwell and inform the office of their absence EACH day.

Home/School Conferences

You would have received an email on Monday regarding Home/School Conferences which are occurring on Wednesday 22 and Thursday 23 July. These conferences are very important and we encourage you to book your time ASAP. **Your child's report will be given to you at the Conference.**

Term 3

This will be a busy term and we encourage you to regularly check the school app, website and newsletter for upcoming events. Interschool Sports will commence as will Class Trips, School Assemblies.

Our **"Treemendous"** outdoor classroom day is Saturday 1 August, please put this in your calendar.

Book Week is from 10-14 August and our Character Dress Up Day is Friday 14 August.

Building Projects

We will be completing two major projects during Term 3. Our Outdoor Canopy Project is scheduled to begin in early August

SECOND HAND UNIFORM SALE

Thank you to those families who supported our Second Hand Uniform Sale by both donating and purchasing items. The sale was a great success and the funds raised will allow us to purchase Lego Tables for our Library.

We will aim to have a sale once a term if we have enough stock for a sale. We welcome any donations of good quality uniforms.

TE KAUPAPARI SUSTAINABILITY

Te Kaupapari

the scattering of seeds · our sustainability journey

In November last year, we received the exciting news that our school is to become "TREEmendous", thanks to Mazda NZ and Project Crimson awarding us a \$10,000 TREEmendous event to create an outdoor learning area.

Our event will be held on **Saturday 1 August**. Please save the date!

Stanhope Road School is one of four New Zealand schools selected for the 2020 TREEmendous School programme.

Alongside the community, the TREEmendous team plan to convert an unused area of the school's grounds into a learning zone to help students develop their understanding of the local environment.

Our Eco-Warriors have designed an area filled with native plants to create habitat and food for native birds, lizards, and insects, as well as a wildflower meadow for our bees, a vegetable garden and some fruit trees.

We will be joined by Mazda and Project Crimson staff, community VIPs, media and celebrities, including Ruud Kleinpaste (the Bug Man), Riley Elliot (the Shark Man), Boh Runga and Peter Wolfkamp.

It's going to be a great day for the community as well as the school. We'd love for you to join us on **Saturday 1 August** anytime from 8:30am to lend a helping hand and stay for a BBQ lunch from midday. More details to follow next term.

STUDENT SAFETY AND PARKING WARDENS

Some drivers are using the yellow lines and our neighbor's driveways to drop off and pick up their child/ren at school.

There are also a number of parents doing U-Turns during these busy times which is highly unsafe and adds to the congestion around the school gate. We have been asking drivers not to do this as firstly it puts our students' safety at risk and secondly, it is against the law.

Those drivers that use driveways also inhibit people using the footpath, especially when they park over the footpath. We have one walking school bus route in operation with a meeting place each morning and adult supervision to see them safely to school, we encourage parents to utilise this option. We also encourage you to park 400 metres away from the school gate and walk to school.

Starting from Term 3, Parking Wardens will be visiting our school at pick up and drop off times and will issue tickets to those breaking the law. Note that there is a zero tolerance policy. If you're found committing an infringement you will receive a ticket.

TURNING FIVE IN 2020

If you have a child turning five in 2020 and you are living in our school zone, please ensure you have completed an enrolment form and contacted the school office so we can allocate your child a class.

JESTERS PIE DAY FUNDRAISER

Thanks for all the Jesters Pie Day orders, where we sold 98 pies.

\$196.00 was raised and put towards purchasing our Lego tables.

BOOK FAIR

SRS Book Fair Week: 10-14 August 2020

Celebrate reading with the Scholastic Book Fair that will run all week in the school library. More details will follow closer to the date.

CHARACTER PARADE

We have some fantastic news to quietly share with you all. Our SRS BOOK PARADE will be coming to our school near you.

The exciting lead up to our parade is that we have the school holidays to think about creating, designing, sewing, glueing and making a costume of one of our favourite characters inside our own lairs. We don't want anyone to see our brilliant works of art until the day of our parade.

WOW, the ideas are endless so put on your thinking caps or Dr Seuss hat and feel inspired. There will be prizes up for grabs!

TEAM TALK – Tupuranga

Room 11 learners have been busy being **Friends, Learners and Guardians** in all they say and do. We have been focussing on the Key Competencies of **Relating to Others** and **Managing Ourselves**.

During Literacy we have been making self to text connections and enjoying using a variety of resources to respond.

We were excited to celebrate the wonderful Mr Kelly during Support Staff week and pleased he appreciated our card and the wonderful hat.

Room 12 children have been doing a wide range of activities that enhance the reading programme. How would you like a delicious breakfast on a blue tray?

There is also a special box that is really a spy's kit! It is full of very useful gadgets and equipment.

Some children have built song thrush nests with straw and mud. They added a clutch of bright blue eggs to their nests. The children wrote to Dr Paul Scofield who assisted with the book *Blue Eggs*. We are all waiting for him to reply.

This term in **Room 13** we have been learning how to LOL (lead our learning). We have been working on important skills such as independence, active listening, giving valuable feedback to our classmates and finding out what makes a great self manager.

We are all enjoying becoming leaders of our own learning!!

TEAM TALK – Tupuranga (cont'd)

Room 14 has been busy with lots of different learning this term.

We have been learning together how to create new shapes by using basic coding commands.

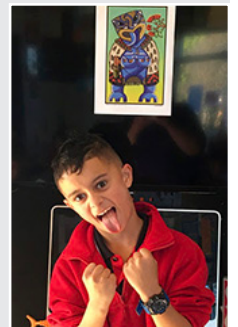

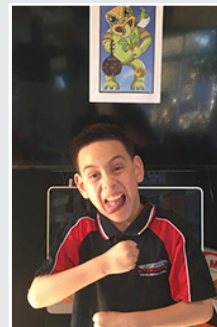

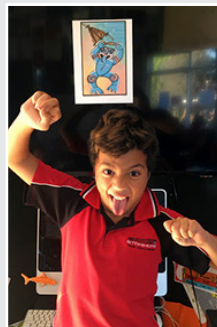

Learning about Papatūānuku has been a big part of our classroom this term. We have learnt who she is and how we can help look after her.

Slime, by David Walliams has been an exciting new novel we are reading and enjoying together.

Room 15 students have been working on our pronunciation of Te reo by saying simple phrases and greetings.

We have also learnt about Māori artwork and carvings in particular poupou. A **poupou** is a wall panel located underneath the veranda of a Māori whareniui (meeting house). We have created our own artwork inspired by different pictures and poses.

Our holiday programmes give children opportunities to do the things they love in a supportive and encouraging environment. Our friendly staff are passionate about working with children. They are trained in delivering fun activities, first aid and behaviour management. Book online today to make Kelly Club your home away from home these holidays.

Who can attend: Children aged 5-13 yrs

What do you need to bring: Shoes and appropriate clothing, jacket or sweatshirt, hat, drink bottle and food.

Food: Please bring plenty of packed food and drink for morning tea, lunch and afternoon tea. Lunch will be from approximately 12.30pm to 1.00pm each day.

Programme activities: Programme activities are adapted to suit children of all ages and children may be grouped by age depending on numbers. Programme activities may vary without notice depending on weather conditions and programme numbers.

Payment details: Pay before the holiday programme begins to secure your child's place. You will receive an invoice once you have completed your booking. All payment details will be included on the invoice.

Work and Income OSCAR Subsidy: Some parents and caregivers may be eligible for a WINZ subsidy to help cover the cost of our programme. For more information visit www.workandincome.govt.nz.

Please note: Every care will be taken to ensure the safety of your child and their property. However, organisers of Kelly Club accept no liability for any injury sustained by your child or any loss or damage to their property while at the programme. If your child is collected late after the conclusion of the programme you will be charged \$15 per 15 minutes or part thereof.
