

## PRINCIPAL'S POST

**Treemendous:** What a truly amazing day we had on Saturday for the construction and unveiling of our magnificent outdoor classroom. We were blown away by the turn out from our students, families and local community groups. It was great to have Ruud Klienpaste inspiring our students and teachers and having

Peter Wolfkamp and Boh Runga (Mazda Ambassadors being in attendance).

A huge thank you to Susan Hall for her efforts in driving and leading this project over the last 15 months. Susan has worked tirelessly on this project and as both Rudd and Peter commented to me on Saturday, you are a true treasure to our school Susan and we appreciate everything you have contributed over the last two years. We are so excited about future projects you have planned.

There were a huge number of people who contributed to make the day a success, including:

- Project Crimson
- Mazda Foundation
- Ruud Kleinpaste and Frazer Dale – two fantastic days of learning and inspiration
- 2019 Stanhope Eco-Warriors – designed the TREEmendous area
- Hazel Meadows, Enviro Schools Facilitator, Sustainable Schools – support, advice, encouragement, loan of some spades, spent the day with us and helped to lay out all the plants
- Horizon Church – paid for a loader to move the mountains of mulch
- Terry Vause from Lawns Plus – operated the loader for a whole Saturday
- Bunnings Mt Wellington – timber, screws and epoxy for the teepees
- Ignition Firewood – donation of the huge logs
- Jay Park from JP Homes – dug the post holes for the blackboard and moved pavers
- A1 Landscape Services – donated mulch
- Green Matter – donated mulch
- Graham Hunter – built the teepees, chain sawed the huge logs in half and transported mulch
- Phil Hall – towed huge logs up the hill and transported ponga logs to school
- Gwyn McIntyre – mulch shovelling, plant laying out

## ROAD SAFETY

**School is back – please remember to drive at a safe speed around our school.**

This makes it safer for everyone, and students love to be able to walk, scoot or ride to school!

Let's all take the time to be kind to one another, walking to school if we can, and driving safely around schools.

This term we are focusing on Road Safety around our school. We are receiving disappointing reports of parents not crossing safely on our crossings. By not crossing safely with guidance from our Road Patrollers you are putting the safety of our children at risk and also teaching incorrect road crossing safety practices!

## SPORT

### Netball Tournament

On Thursday 30 July, Hautūtanga represented Stanhope in the Year 7 & 8 Eastern Zone Netball Tournament. We were lucky enough to be able to take six netball teams! This wouldn't have been possible without the help of our parents volunteering to be the team managers. Thank you so much!!!

Each team improved their netball skills, hustled hard and played their hearts out and on the court. Thank you to our teachers and coaches Mr Moey, Miss McRae, Miss Leilua and Whaea Liz.

## TEAM TALK – PUĀWAITANGA

Every two weeks Puāwaitanga have special 'Golden Time' on a Friday afternoon.

This is a reward for students who have been working well in class, focussing on their work and are using the school values.

They are able to choose from a variety of activities, e.g. a Kahoot quiz, knitting, board games, drumming, mindful drawing, hoop-la and other outdoor games. Here we are having fun!

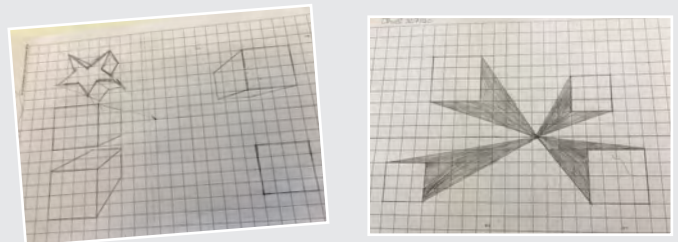

To ignite this term's Inquiry, '**What is Powerful about Art?**', we had a fun workshop day where we experimented with different forms of art.

**Room 16.** This workshop was inspired by a well known artist called Paul Klee. He was very interested in the theory of warm and cold colours and shapes. We used Jovi's and felt tips instead of his preferred water colours.

In **Room 17**, students learned the skill of one point perspective drawing. Although this was a challenge for many students, it was wonderful to see many giving it a go! This activity showed students how to draw a 3D shape on a 2D surface (similar to the activity in Room 19). Students learnt key elements for perspective drawing such as the horizon line, vanishing point, construction and parallel lines.

In **Room 18**, we did some observational art. We sat in groups of four and used a Vivid to draw an object in front of us (e.g. a plant, a dustpan and brush...). They had 50 seconds to draw it, then they moved to another desk to see another view of the same object.

When they had drawn it from four different angles they moved to the next table for another item.

It was frenetic but fun!

## TEAM TALK – PUĀWAITANGA (cont'd)

In **Room 19**, we used the power of shading to convert a 2D circle into a 3D sphere.

The video lesson we used was three minutes long, but it took us 50 minutes to get through it – lots of pauses as quality shading is not an easy business.

### Room 20

In our first little taste of photography, we focused on the main elements to keep it simple. This was the 'Rule Of Thirds and Perspectives'. We also focussed on textures and light.

We were lucky it was raining in the morning so we took the opportunity to capture any reflections and droplets of rain.

## PARENTS GROUP

### Pizza Day Fundraiser

Thank you to all who purchased pizza on the last day of Term 2, we sold over 540 slices of pizza, making a profit of \$582.

This money, along with funds raised last year, will be used to contribute to replacing the pool fence.

Many thanks to the ladies from the Parent Group who helped us out on the day.

### Annual Fun Run

This term is the Annual Fun Run which will be held in Week 10 of Term 3 on Thursday 24 September.

Once again there will be obstacles, so time to start practising your climbing, crawling, running and jumping to be well prepared for the day.

### Yummy Stickers

Yummy Fruit Stickers will be tallied up in the last week of term, so continue to eat those apples and bring the stickers in to school please!

These are collected to get a share of the \$200,000 free DG Sport sports gear prize pool, the more we collect, the greater our share.
