

PRINCIPAL'S POST

We have had a fantastic start to Term 4 and have been resuming all the activities we weren't able to do at Level 2. Having so many additional opportunities really enhances the students' learning and is part of what makes Stanhope Road School such a special place!

A special welcome to our newest students and their families. We hope that you all enjoy being part of the Stanhope Road School community.

Fun Run: A huge thank you to our wonderful Parent Group for their magnificent organisation of the Fun Run. It was a fantastic morning and it was great to see our students giving their best and the wonderful support of our families. Approximately \$14,000 was raised for the school.

Cultural Parade: Thank you to all of our families for supporting our Cultural Parade. It was an amazing parade and great to see so many students and staff dressed up. We had 65 different countries represented which makes Stanhope Road School one of the most culturally diverse schools in New Zealand. We will be holding a Cultural Parade every year.

Staffing News: This term we welcome Alba Bague Pou as a New Entrant teacher working alongside Melissa Ezekiel in Room 4.

For our 2021 school year will be welcoming back Kirsten Starr from study leave and Rebekah Pool who will be teaching in Tupuranga.

Congratulations to Keely Leilua who has accepted a Team Leader position at Waimahia Intermediate in 2021. We wish her all the best for this new position and thank her for all she has done at SRS.

Questions and Concerns: From time to time you may have questions or even concerns. Understanding our preferred approach to resolving any problems that may arise, can be useful.

Who is my first point of contact?

Your first point of contact should always be your child's classroom teacher. Most of the time, they will be able to assist. You can email your teacher a question, email them to ask for a time to meet, or chat on the phone.

I have spoken with my child's teacher but I am still not happy.

If for some reason, your teacher hasn't been able to

Prizes for students will be distributed in the coming weeks.

WHAT IS POWERFUL ABOUT ART?

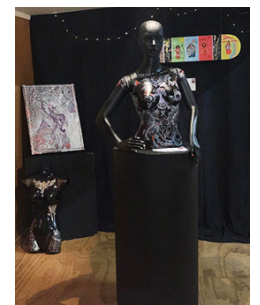

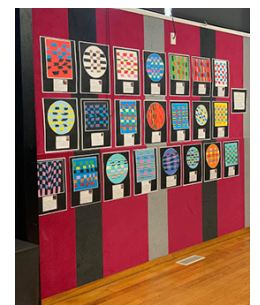

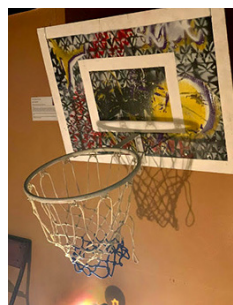

The 'What is Powerful About Art?' Inquiry Exhibition 2020 held at the end of Term 3 was a huge success!

What a celebration of student creativity, learning and expression through Art! We are so proud of the incredible artworks our students shared at the exhibition!

Every night was fully booked out and the feedback from everyone was fantastic!

We are soooooo happy we were able to share this with you all.

Stanhope – you are amazing!!!

TEAM TALK – PUĀWAITANGA

Rm 16

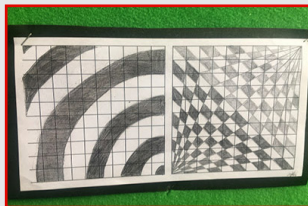

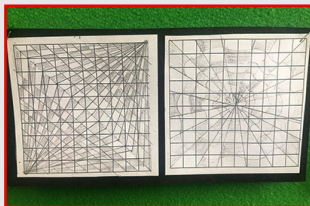

Room 16 learners loved dressing up in their favourite character for 'Book Week' character parade and some of us enjoyed reading 'The Day the Crayons Quit', so we dressed up as crayons.

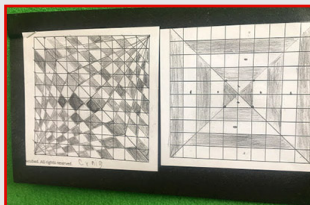

The Haututanga S.W.O.T have been assisting Room 16 with their technical skills. We learnt how to touch type and how to make folders in Google drive.

Rm 17

Room 17 has been learning how to combine Art and Math to create their optical illusion art work.

They've also been busily preparing for the Art exhibition next week, with one group treating us to a live rehearsal in the TreeMendous seating area.

Rm 18

Room 18 really enjoyed the dress up day where they showed off their favourite book character.

Last term Room 18 were really focused on their art for the exhibition. They started by using chalk pastels but we found that it didn't have the effect we were wanting. So then they switched to using oil pastels. The colours were stronger and more vibrant.

The children had designed their animal but when we did our 'good' copy they only did a third of it before someone else worked on it. The children had to have trust in their classmates to do their best too. It made for some interesting hybrids!

TEAM TALK – PUĀWAITANGA (cont'd)

Rm 19

Room 19 and our whole team have been art focused this term as part of our Inquiry learning. We have looked at a range of artists and have experimented with a range of mediums.

Despite lockdown impacting the smooth learning progression, our trip to Corbin's Estate Art Centre gave us a great start!

Rm 20

Term Three Highlights.

Room 20 really enjoyed a visit from Ruud Klienpaste (the Bug Man).

Mia is inspecting Puāwaitanga's new worm farm and we are learning what to feed them.
